Online Research Paper Submission

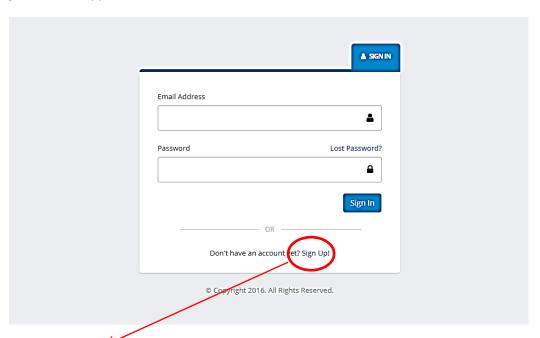

- ✓ Authors are requested to submit the manuscripts through this portal only.
- ✓ The guidelines are given in the Pdf here to submit the manuscripts. Kindly read them thoroughly and proceed forward step by step.
- ✓ Please don't submit the papers through Email. The intimation of the status of publication will be shown at your login site when you will register yourself at the portal.

Step -1

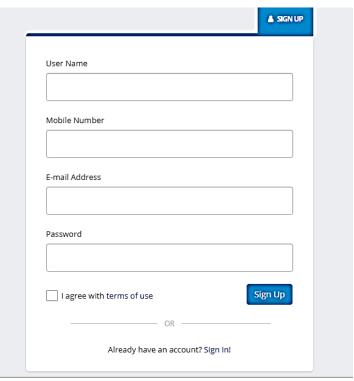

When the user will click on

Click here to Login and Create your Profile

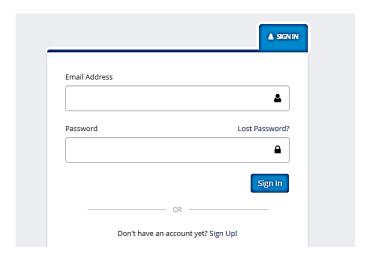

The following screen will appear.

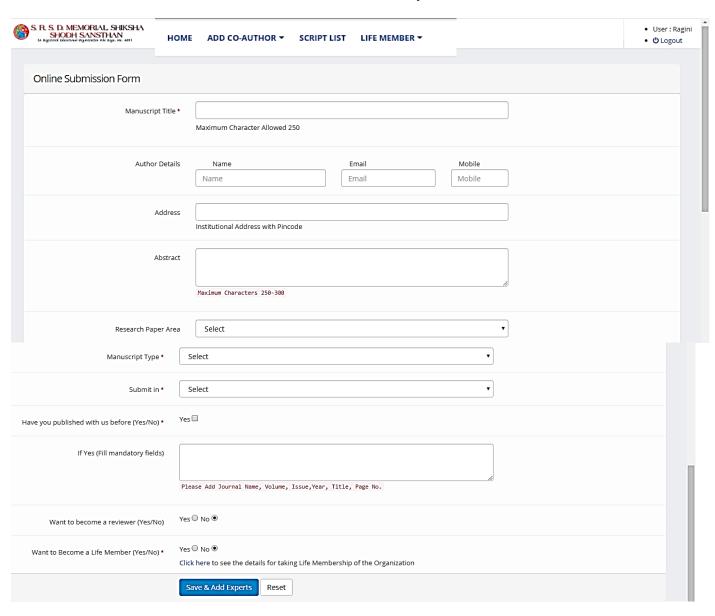

Step - 2: Click on Sign Up, following screen will appear. Fill all the information here and click Sign Up

Step -3: Then again the first step screen will be shown, now put your Email ID and Password here and then click Sign in

Step -4: As you Sign-in, the following portal will appear. Here the main author will fill all the fields. The Abstract word limit is 250-300. It is mandatory to fill.

If you want to become reviewer and want to blind review the Research papers, you can opt for 'Yes'.

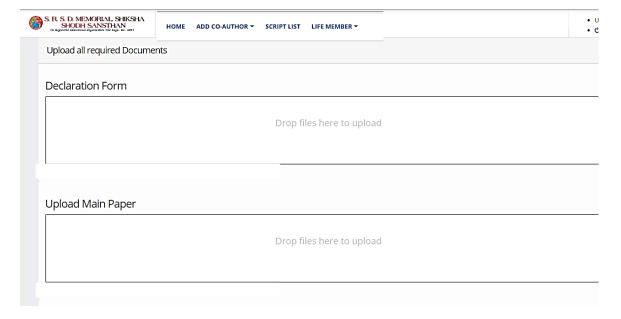

If you want to associate with the organization for participating/contributing/getting recognition in many other activities (You can see the benefits of membership at website), you can opt for 'Yes'.

<u>Step -5:</u> Then click on Submit and Add Experts. The Experts will be those people to any one of whom your paper may be sent for review purpose. You need to write four names of experienced and qualified academicians in this regard who are also expert in your research area. After filling their details click on '<u>Submit and Upload Documents'</u>

Step -6: Then following screen will appear. Here you will be required to upload the following documents:

- 1. <u>Declaration form</u>: You can download it from the link provide below the box. You will fill it and upload here.
- 2. Manuscript Upload: The whole manuscript should be in one MS Word document only.
- 3. <u>Supplementary Information:</u> If you want to give any other information, then you can write in separate MS word document and upload here.
- 4. Then you will finish this process by clicking over finish button.

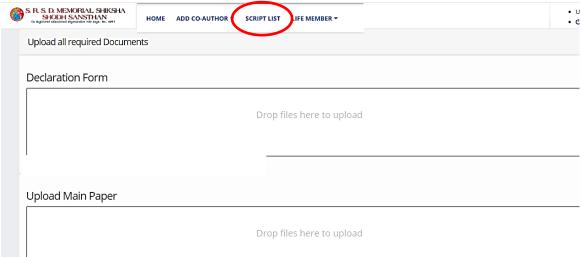

<u>Step -7:</u> If your manuscript has co-authors also, then you need to fill their information as well through the button given: Add Co-Authors.

You will fill all the fields in the same way along with their declaration form. Their declaration forms will be filled separately.

Step -8: If you want to see the manuscripts submitted by you and their status, you can click over the button Script List. Here you can see the status.

Step -9: For taking the Life Membership, there is a button with this name on your screen, you can go and fill the fields to subscribe.
